

# 5 Tried and True Steps to Leading Effectively

## The Real Leadership Checklist

### 5 STEPS TO REAL LEADERSHIP

Learn to empathize, empower, and impact your team with transformational leadership and handle the day to day challenges of leadership with competence and confidence.

### #1: Identify Your Own Approach to Leadership

I have a clear leadership ID and have shared it with my team.

### #2: Imagine Your Ideal Team and Organization

Our team has a shared vision that guides our work.

### #3: Inspire Others to Follow You

I understand difference, and am confident in my ability to build relationships, communicate, and resolve conflict.

### #4: Innovate within Your Organization

Our team is ready and able to adapt to change and we encourage growth and learning through coaching and mentoring.

### #5: Impact the Present and the Future of Your Organization

I provide feedback to my team consistently, and use their feedback to improve my leadership and organizational processes.
