

Leading Change Checklist

Do you want change to stick?

Use this worksheet to help you define actions you can take to help your team transition and successfully embrace change.

Ask yourself:	How?	What is the result?
Are you modeling or supporting the change?		
Is the organization supporting the change?		
Have you done all you can do to communicate the importance of the change to people?		
Have you let the team know the results of the change?		
Have you done a good enough job of hearing and addressing people's concerns?
